

Welcome to Yomigami

Your manga and PDFs, in one quiet library.

Open Reader Test to try all 12 pages.

Tap the left edge to advance in manga mode.

Tap the middle for reading options.

The footer lets you jump to a page.

Add books using +, or copy PDF and CBZ files into `yomigami/data/library` and rescan.

Use Sources to find and download manga.

Options has Fit page, Fit width and direction.

Fit width: swipe up to pan down a tall page.

Your place is saved after every page turn.

This is an initial test build.

Please test power-button sleep and wake, then use + and Exit to Kindle.
